

Model	K10C
Type	Kettle
Volume	1.0 L
Features	Fixed, Strix thermostat, Protection against operation without water, Space for winding Cord, Blue lighting switch
Material	Ceramic and metal
Power	1630W
Colour	White

Model	K10W
Type	Kettle
Volume	1.0 L
Features	Removable scale filter, Water level indicator, Thermostat, Protection against operation without water, Space for winding Cord, Illuminated switch
Material	Plastic and metal
Power	1300W
Colour	White

Model	K12E
Type	Kettle
Volume	1.2 L
Features	Removable scale filter, Water level indicator, Strix thermostat, Protection against operation without water, Space for winding Cord, Illuminated switch
Material	Plastic and metal
Power	2200W
Colour	Inox

Model	K17E
Type	Kettle
Volume	1.7 L
Features	Removable scale filter, Water level indicator, Thermostat, Protection against operation without water, Space for winding Cord, Illuminated switch
Material	Plastic and metal
Power	2200W
Colour	Stainless steel + black

Model	K17EH
Type	Kettle
Volume	1.7 L
Features	Concealed heater, Removable scale filter, Water level indicator, Strix thermostat, Overheating protection, Space for winding Cord, Blue lighting switch
Material	Plastic and metal
Power	2200W
Colour	Stainless steel + black

Model	K17G
Type	Kettle
Volume	1.7 L
Features	Removable scale filter, Water level indicator, Warning boiling, Strix thermostat, Protection against operation without water, Space for winding Cord, Blue lighting switch
Material	Glass and metal
Power	2200W
Colour	Inox

Model	K17TR
Type	Kettle
Volume	1.7 L
Features	LCD display, Temperature control - 60° - 90°, Concealed heating element, Automatic shutdown, Removable scale filter, Water level indicator, Warning boiling, Thermostat
Material	Plastic and metal
Power	2200W
Colour	Stainless steel

Model	K17W
Type	Kettle
Volume	1.7 L
Features	Removable scale filter, Water level indicator, Thermostat, Protection against operation without water, Space for winding Cord, Illuminated switch
Material	Plastic and metal
Power	2400W
Colour	White

Model	K17WH
Type	Kettle
Volume	1.7 L
Features	Concealed heater, Removable scale filter, Water level indicator, Strix thermostat, Overheating protection, Space for winding Cord, Blue lighting switch
Material	Plastic and metal
Power	2200W
Colour	White + grey
